

Camp Lowe Scholarship Drive

Together....We Build Strong Kids, Strong Families, Strong Communities

We believe that Camp Lowe should reflect the economic diversity of the Montachusett Region. By providing financial assistance to those in need, we are able to keep our camp accessible to all. Often, the children who most need our help building a bright future aren't able to afford the camp fees. Each summer, camp provides funds for more than 300 deserving children to attend camp. In addition, we realize that all children are at risk today, and can benefit from a caring, supportive and nurturing environment. Our goal is to keep camp affordable for all children. This is where you can help. Your gift to our Camp Scholarship fund, will allow us to meet the growing number of requests for financial aid and will help keep camp affordable for all.
